

Protect your employees, by knowing the risks

Every year, DSPs submit thousands of claims for incidents that could have been prevented by implementing some quick and simple safety precautions. Take a look at some of the top claims for each of our insurance lines and explore how you can help your employees stay safe while they are loading their vehicle, on the road, or anywhere in between.

TOP CLAIM: Collision with a parked vehicle

HOW TO AVOID AN INCIDENT:

- Remove distractions
- Drive slowly in parking lots or in poor weather conditions
- Park away from heavy traffic

TOP CLAIM: Falling or slipping due to an object or obstruction

HOW TO AVOID AN INCIDENT:

- Remove clutter from floors and entryways
- Make sure stairs are clear at all times
- Keep workspaces and vehicles clean

General Liability

TOP CLAIM: Muscle strains or injuries

HOW TO AVOID AN INCIDENT:

- Always lift from the knees
- Adjust vehicle seat and steering wheel for proper driving position
- Don't tilt your seat back while driving

Our comprehensive insurance program meets both Amazon insurance requirements and the evolving needs of your DSP business. Talk to us today to learn how our flexible products can protect your growing business.

Commercial Auto

Protects your business from physical damage claims such as collisions, fire, theft, and flood; and for bodily injury and property damage losses that you or an employee are held responsible for while operating a company vehicle.

General Liability

Protects your business from claims of bodily injury, personal injury, and property damage caused by business operations, products, or injuries that occur on the business premises.

Workers' Compensation

Protects your business and your employees from financial loss if an employee is hurt on the job and helps pay for medical care, wages from lost work time, and more due to work-related injuries or illnesses.
